# Pregnancy

## When a Union

## becomes a Family

*Pregnancy Photos* are a way to capture your happiness, anticipation and love as you await your baby's arrival. These photos are typically taken during your 8th Month of pregnancy, or if you feel really daring, your 9th month. But remember, don't wait too long, these *little ones can be unpredictable!* When you come for your Pregnancy Photo, there will be a \$45 sitting fee. Once you choose your favorite images, you can purchase a 2, 4 or 6 portrait package or individual ala carte sheets.

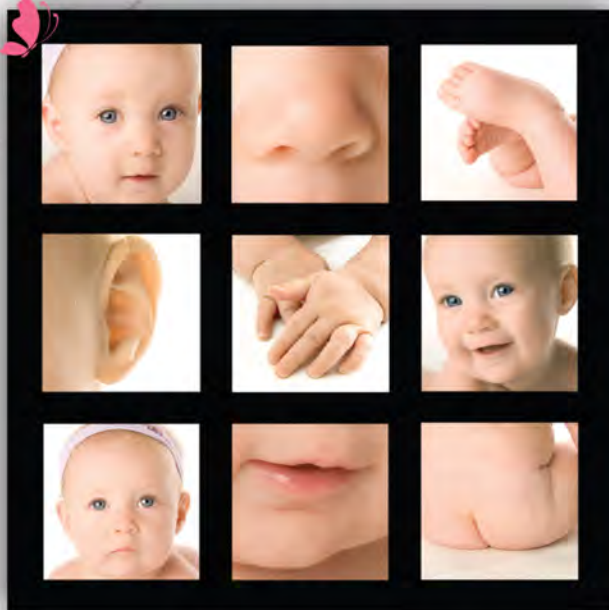

**\$45 Sitting Fee - Plus the cost of a 2, 4 or 6 portrait package or ala carte. Please call for more information.**
